SENATE.

AUSTIN, Jan. 27.—[Special.]—The senate met at the appointed hour, the president and a quorum being present. The chaplain

nd a quorum being present. The chaplain aftered his prayer, and on motion of Mr. Petitions were presented as follows:

Moore, of Eastland, Cochran, of Dallas, and Labatt, of Galveston, presented petitions were offered as follows:

By Mr. Cooper—From the attorneys of tentiary convicts be confined within the

injured.

By Pendleton—To require assessors to assess unrendered personal property and By Barry—A resolution that any mem-ber absenting himself from the house with-

ber absenting himself from the house without leave forfeit his per diem.

Also, when excused on important business. Laid over under the rules.

By Chambers, of Tarrant—An amendment regulating the manner of condemning property of corporate cities and towns
in opening streets, avenues and alleys.

By Jackson—To give incorporated cities
and towns the privilege of extending boundaries by a favorable vote of two-tnirds of
the voters resident in the territory to be annexed.

nexed.

By Tucker—To prescribe the minimum tax value which shall be put on land.

By Smith—For the relief of Sarah Nichols, widow of H. J. Nichols, deceased.

By Mathews—To exempt tools and in-

existing law relating to the manner of the law ing estrays.

By Mr. Matlock—A bill amending the existing law relating to breaking iences.

By Mr. Gooch—A bill amending the law relating to public free schools, so as to authorize children living outside of incorporate deties or towns, which may be independent school districts, to enter in such city schools and receive the benefit of their city schools and require the country commissioners to course of the several counties in the state to be provide for the payment of all claims due treachers of public free schools, audited as valid claims under the acts of the legislature of Texas approved Angust the law is the law

Discussion arose over the amendment of

upon the amendment and the bill. Carried.

The amendment was adopted by 17 years to 12 nays.

The question ceing on the angrossment of the bill, Mr. Terrell said. "Is not the necessaries provided for in the bill!"

Mr. Houston raised the point of order that the previous question had been cridered upon the engrossment of the bill.

Mr. Terrell.—'The gentleman is quite correct; indeed, so correct that I never dreamed of discussing the bill. I asked the question for information."

Mr. Pope.—'It is."

Mr. Perpel.—'Then my only purpose was to cheer the feelings of my friend from Cooke, to let him know that his medicated bitters had been provided for."

The bill was improssed.—10 yeas, 18 nays.

A message was received from the house, announcing the passage of house concurrent resolution in regard to sending a committee to Aleme and Goliad.

Bill No. 140, designating where county judges shall have their offices, passed.

Senate bill No. 210, which was called up, relating to the fees of attached witnesses in fellow case.

Mr. Flemang, by consent of the senate, larroduced in connection with the bill a resolution requesting the comptroller to furnish the senate, as soon as practicable, the amount annually paid sheriffs under sundivision of of article 10%, Code of Criminal Procedure. Adopted.

Mr. Pattorn moved that consideration of the bill pe postponed to Monday, when it should be made the special order until disposed of.

Pending the matting to postpone the senate at all glowned till Monday.
